

TAKING FLIGHT FOR THE FUTURE

HEAD WEST FOR NEW FRONTIERS

INTERNATIONAL PUBLIC WORKS CONFERENCE

Sunday, 20 August 2017

1500 - 1945	Registration Open	Central Foyer
1700 - 1800	International Delegates & Under 35's Welcome (by invitation only)	Bellevue Lounge
1800 - 2000	Welcome Reception Sponsored by Complete Urban Official Welcome to Western Australia by the Hon David Templeman MLA WA Minister for Local Government; Heritage; Culture and the Arts	Exhibition Hall COMPLETE

Monday, 21 August 2017

0715	Registration Open Complimentary Light Breakfast in the Exhibition Hall	Central Foyer
0815	Official Opening Ceremony & Special Welcome Governor of Western Australia, Her Excellency the Honourable Kerry Sanderson AC	Riverside Theatre
0915	Keynote Address: The Future of Work Jon Williams, Joint Global Leader, People & Organisation, Managing Partner – PwC	
1000	Morning Tea in the Exhibition Hall sponsored by LG Focus	

Session 1						
	Mobility I Meeting Room 1 Chair: Ossie Martinz	Innovation & Technology I Meeting Room 2 Chair: Gavin Harris	Leadership & Management I Meeting Room 3 Chair: Ian Daniels	Community & Infrastructure I Meeting Room 7 Chair: Chris Champion	Pavements I Meeting Room 8 Chair: Martyn Glover	Asset Management I Riverside Theatre Chair: Ross Goyne
1030 - 1058	The Road Efficiency Group: Transforming Transportation Asset Management in NZ <i>Grant Holland, Waugh Infrastructure Management Ltd, New Zealand</i>	Characteristics of Pavement Materials Treated with Polyacrylamide Based Additive <i>Romel Georges, Swinburne University of Technology, Victoria</i>	Relationship Contracting For Civil Construction by Standing Offer Panel Arrangements <i>Simon Malouf, Logan City Council, Queensland</i>	It's Your Community.....So Communicate <i>Greg Blaze, Maitland City Council, New South Wales</i>	Best Practice in Pavement Engineering <i>Dr Bryan Pidwerbesky, Fulton Hogan, New Zealand</i>	Technology for Future Builders <i>Jeff Roorda, TechnologyOne, New South Wales</i>
2 mins	Change Over	Change Over	Change Over	Change Over	Change Over	Change Over
1100 - 1128	One Road Network Classification – NZ Road Network <i>Garry McGraw, Kaipara District Council, New Zealand</i>	Evaluation of Additives for Insitu Recycling of Local Government Roads <i>Don Cameron, University of South Australia, South Australia</i>	How Commercialising Coffs Cityworks Created Benefits For The Council, Community and Staff <i>Dan Bonifant, Morrison Low, New South Wales</i>	Community Transformation Through Engagement <i>Kathryn Johnson, Port Pirie Regional Council, South Australia</i>	Sustainable Approach to Maintenance of Low Trafficked Surfaced Roads <i>Trevor Distin, Colas Australia, New South Wales</i>	Should Infrastructure Decisions Be Constrained By The Budget <i>David Hope, Skilmar Systems Pty Ltd & Dr Penny Burns, Talking Infrastructure, South Australia</i>
2 mins	Change Over	Change Over	Change Over	Change Over	Change Over	Change Over
1130 - 1158	Demand Responsive Transport (DRT) - a Solution for a 'First Mile' Commuter Problem in SEQ? <i>Gleb Kolenbet, Redland City Council, Queensland</i>	Disruption and Revolution: A Road to Innovation <i>Mark Pilgrim, Stablicorp Pty Ltd, New South Wales</i>	How an Organisation Adapted into a New Working Environment <i>Neil Beckett, New Zealand Transport Agency, New Zealand</i>	Importance of Community Engagement When Delivering Projects in Multicultural Environments <i>Chris Mackenzie, Complete Urban, New South Wales</i>	Incorporating Routine Maintenance Effort In Long Term Pavement Modelling And Decision Making <i>Hui Chen, Downer Australia, Victoria</i>	Robin Hood As Grants Commissioner: Who's Rich Who's Poor <i>John Comrie, JAC Comrie Pty Ltd & Ben Lawson, Common Thread Consulting, New South Wales</i>

1200	Lunch in the Exhibition Hall sponsored by Asphaltec						
1300	Keynote Address: American Alliance in the Year of Trump Hon Kim Beazley, Former Deputy Prime Minister of Australia & Australian Ambassador to the USA						Riverside Theatre
1400 - 1428	Session 2						
	Good Stuff I Meeting Room 1 Chair: Ossie Martinz Biophillic Design In a WA Context Brendan Oversby, Calibre Consulting, Western Australia	Water & Wastewater Meeting Room 2 Chair: Jim Coten Ocean Road Recreation Area – Wastewater Re-Use Terry Blanchard, City of Mandurah, Western Australia	Leadership & Management II Meeting Room 3 Chair: Paul Di Iulio Challenges and Triumphs when Implementing a Work Management System Alison Saunders, City of Greater Dandenong, Victoria	Community & Infrastructure II Meeting Room 7 Chair: Alan Millard Embedding Culture into Community and Family Centres Saurabh Chandra & David Campagnolo, Wyndham City Council, Victoria	Stormwater I Meeting Room 8 Chair: Doug Pearson The Use of Ovoid Pipe in Urban Stormwater Drainage Systems Andrew Barry, Marino Evangelisti, Martin Wright, Cardno, Western Australia	Asset Management II Riverside Theatre Chair: Kimberly Brosztl Improving Asset Management Community Engagement Michelle Kennedy, City Of Burnside, South Australia	
	2 mins	Change Over	Change Over	Change Over	Change Over	Change Over	Change Over
1430 - 1458	Smart Cities – From the Point of View of a Human Being Paul Knox, Complete Urban, New South Wales	Key water management challenges and opportunities in urban development in Western Australia Agni Bhandari & Antonietta Torre, Department of Water, Western Australia	Developing Your Next Presentation To Effectively Communicate and Achieve Focussed Outcomes Chris Champion, Institute Of Public Works Engineering Australasia, New South Wales	Eagle Stadium: A Journey to Reality Mauro Covacci, Wyndham City Council, Victoria	Time for Concentration – Stormwater Management in Bendigo Mark Atkinson, City Of Greater Bendigo, Victoria	Risk Based Decision Making For Infrastructure Investment Darren Moore, Logan City Council, Queensland	
1500	Afternoon Tea & Speed Networking in the Exhibition Hall						
1600 - 1628	Session 3						
	Mobility II Meeting Room 1 Chair: Vicki Shelton Clip on Cycleway Ken Robinson, Wagners Composite Fibre Technologies, Queensland	Innovation & Technology II Meeting Room 2 Chair: Gavin Harris Non Destructive Structural Assessment of Structures Using In-Service Dynamic Response James O'Grady, Mainmark, Victoria	Leadership & Management III Meeting Room 3 Chair: Matthew Greskie Formation Flying: Creating The 'Uber' Work Environment For Professional Services Caroline Boot, Plan A Ltd, Auckland, New Zealand	Community & Infrastructure III Meeting Room 7 Chair: Paul Kellick Mandurah Aquatic and Recreation Centre Redevelopment Matthew Hall, City Of Mandurah, Western Australia	Stormwater II Meeting Room 8 Chair: Martyn Glover Flood Mitigation For Existing Urban Environments Justin Hinch, Warrnambool City Council, Victoria	Asset Management III Riverside Theatre Chair: Angelo Catinari Road Asset Performance Study – A Wollongong Case Study Peter Tobin, Wollongong City Council, New South Wales	
	2 mins	Change Over	Change Over	Change Over	Change Over	Change Over	Change Over
1630 - 1658	Improving Pedestrian, Bicycle & Public Transportation Traffic Winter Conditions In Helsinki Esko Laiho & Tarja Myller, City Of Helsinki Public Works Department, Finland	Virtual Survey – A Coming of Age Gareth Evans, Mng Survey, Western Australia	Innovation: Harnessing the Power of Creative Minds Authors: Colin Chapman & Karen Pollock. Presenter: Jason Dwyer Queensland Urban Utilities, Queensland	The Adventure Park – Kwinana Reza Najafzadeh, City Of Kwinana, Western Australia	Source Control Stormwater Management Owen Richards & Simon Wallis, SOMe Engineering, Western Australia	Developing Aus-Spec for More Sustainable Community Assets Nandini Mehta, NATSPEC, Construction Information Systems Limited, New South Wales	
1900	Night Market Dinner at Perth Convention & Exhibition Centre Sponsored by Technology One Wear your most colourful shirt, outfit or your interpretation of your national dress! Bellevue Ballroom						

0730	Registration Open Complimentary Light Breakfast in the Exhibition Hall sponsored by Exeloo					Central Foyer 
0830	Keynote Address: Driverless Vehicles - Their Social Impact and Implications for Transport Planning Simon Ginn, Engineer & Urban Planner Followed by a Panel Session facilitated by Gerry Gannon Panellists: <i>Simon Ginn, Engineer & Urban Planner Peter Damen, ARRB Steve Beyer, WA Department of Transport Anne Still, RAC</i>					Riverside Theatre 
1000	Morning Tea in the Exhibition Hall					
1030 - 1058	Session 4					
	Mobility III Meeting Room 1 Chair: Vicki Shelton Perth End of Trip Facilities Study <i>Andreas Wang, Cardno, Ash McCormick, Russell Greig & Cathy Gazey, Department of Transport</i>	Innovation & Technology III Meeting Room 2 Chair: Kathryn Johnson Advancing a Smart Street Light Project <i>Ren Niemann & John Kettle, Mccullough Robertson, Queensland</i>	Leadership & Management IV Meeting Room 3 Chair: Chris Champion Overview of the 2016 IPWEA Study Tour – ‘Best Practice and Innovation in Public Works <i>Gleb Kolenbet, Redland City Council, Queensland</i>	Community & Infrastructure IV Meeting Room 7 Chair: Dave Harris Mills Park Redevelopment Project <i>Paul McAllister, City of Melville & Steven Vo City Of Gosnells, Western Australia</i>	 ARRB I Developments and Trends in Pavement Engineering Meeting Room 8 Chair: Alan Claydon Welcome and introduction from Peter Damen, ARRB (10 mins) ~ ASPARi (Asphalt Paving Research & Innovation) <i>André Dorée, University of Twente (30 mins)</i> ~ Emerging Developments and Innovations in Australia (Overview of Austroads, NACoE and WARRIP programs) <i>Ester Tseng & Michael Moffatt, ARRB (20 mins)</i> ~ Pavement Developments and Trends in Western Australia <i>Les Marchant, MRWA (30 mins)</i>	Asset Management IV Riverside Theatre Chair: Andrew Craig New Frontiers In Asset Management <i>Ben Lawson, Common Thread Consulting, New South Wales & Matthew Christensen, Snowy Valleys Council</i>
